Veteran's Day, School closed

### PREPARING FOR FLU SEASON

Please join us Monday, October 26 for our first Town Hall meeting this year where we will have a panel presentation on "Preparing for the Flu Season" from 5-6:15pm in the OSS Music room. The panel will include physicians on our Health and Safety Committee; Mitch Katz, Director of the SF Department of Health, Brinda Emu and Sunil Parikh, Infectious Disease experts. We will discuss how to identify the flu, danger signals, and prevention tips. Please sign-up in your classroom, if you plan to attend this timely meeting.

## PARENTS FOR PUBLIC SCHOOLS

Learn more about public schools and the enrollment process at our meeting on Tuesday, October 27 from 5-6:15pm at the OSS in the Music Room. The Parents for Public School presenter will have answers for all of your questions! Sign-up in the classroom.

## WEBSITE LAUNCH

After much work, Pacific Primary's website, [www.pacificprimary.org](http://www.pacificprimary.org) has been improved to bring more information to our parents! Thanks to Boone Spooner, web designer, for redesigning our website and giving us a fresh new look with user friendly features. We are still working on a few kinks. The community section is password protected and it will soon feature each classroom's Weekly Journals. The password is [pacificprimary2009](http://pacificprimary2009). Check it out and let us know what you think.

## BLACK AND ORANGE DAY

Halloween is coming and we celebrate with Black and Orange Day. Please wear black and orange clothing, if possible. If not, we will have many art activities that will include decorations to wear and we will even eat a black and orange lunch! NO COSTUMES please, as it can be frightening for the children. We will have a festive Halloween Sing-Along at the end of the day.

On Halloween, don't miss the incredible neighborhood Grove Street Halloween Block Party (Grove Street will be closed between Baker and Central) on Saturday, October 31 at 6:30pm. It is fun for children of all ages!
